SCCBC GNOT Heats 2nd & 3rd May

Novice Pairs Wednesday 6th, 13th & 20 May

Pairs Championship Monday 18th, 25th & 1st June

UPCOMING EVENTS

SCCBC Congress Saturday 20th & Sunday 21st June

This is our club's main congress of the year. Let's work together to make it successful.

We always need catering support, stand by players and caddies.

Please speak to a committee member if you can help on that weekend.

NEW Thursday Afternoon Teams Session

The club has been trialling a Thursday afternoon Teams event with a focus on developing players recently. On these occasions, the Thursday afternoon session has had a highly desirable boost in numbers.

The committee has made the decision to expand this event to all players and to make Thursday afternoon session a teams-only session. Members can register on the sign-up list at the club or by emailing us. You can enter as a full team, or as a pair looking for team-mates. We will match pairs with another pair in order to make a team.

This change is happening from Thursday May 7th. The old walk-in pairs session on Thursday afternoons will no longer be available. Table Fees will be the same as usual (\$7.25 or \$9.25 for visitors).

Pre-registration is essential and the event will close on Tuesday evening before the day of play. We look forward to your participation in this new club event.

Thursday Morning Bridge.

Members are advised that this session will now be conducted at the front end of the room rather than the current arrangement at the back of the room. Thank you, Kerry for your cheery directing.

Mentoring

Mentoring is available for players with the sanction of our club teacher or a member of the Committee Executive. Mentors' table fees are free for three sessions and need to be recorded in the Director's Diary.

Gabrielle Elich
President

Congratulations to the following members on their Masterpoints promotions.

Club Graduate	Silver National
Bernice Burch 5.02	Ursula Sheldon 406.46
Phillip Challis 5.41
