

SUNSHINE COAST CONTRACT BRIDGE CLUB INC

The following have all been endorsed at Management Committee meetings.

These regulations apply to club sessions including Club Championships.

If a specific policy is not mentioned in this document, then the relevant QBA regulation will apply.

EVENT REGULATIONS

GENERAL

- Blue, Green and Red systems and Brown Sticker conventions are permitted at all sessions except the supervised play and novice sessions (Monday morning and Wednesday morning), when only Green systems will be permitted.
- Day time sessions may last up to 4 hours including a tea/coffee break, and night sessions (if any) 3 hours. Players must stay for the full duration of the session except in the event of an unforeseen emergency. (Exception – the pair having the final sit-out may leave at the start of their sit-out.)
- Players should be seated at the tables 15 minutes before the session starts.
- The timing and length of the tea break will be determined by the Director, with recommended time for morning sessions as the first round change after 10.30am, and for afternoon sessions the first round change after 2:00pm for Mondays and 2:30pm on Thursdays.
- For daytime sessions, the recommended number of boards played by any player, including those sitting out, should be between 27 and 36 (33 for Thursday morning), and for night sessions, the recommended number is between 27 and 28. This may be reduced for sessions of supervised play, or other sessions that are predominately made up of beginners.
- Recommended time allowed per round: 2 boards per round – 13 minutes; 3 boards per round - 19 minutes; 4 boards per round - 25 minutes; 5 boards per round - 31 minutes. The director may choose to move players earlier or to delay the move if necessary. At sessions frequented by newer players, the director may allow more time per round.
- The warning bell will be set at 3 minutes. If no player has made a call by the time the warning bell sounds, the board should not be played. The director should be called, and will award an artificial adjusted score, with each side's percentage dependent on the reason for not having enough time to play the board.
- Sit-outs should be limited to a maximum of 3 boards.

- The late play of a board is at the Director's discretion but is to be discouraged.
- When playing a hand, players' obligations are firstly towards play of a hand, and secondly, recording the contract and result. Consequently, after the auction, the player on lead should make their lead before recording the contract in the Bridgmate or their personal score sheet, and likewise, the player who is dummy should face their cards before recording the contract in the Bridgmate or on their personal score sheet.
- The time period for data entry corrections will be as follows:
 - Bridgmate score corrections – 24 hours from the end of the session
 - Name corrections – 7 days from the end of the session.
- The time limit for appeals of a Director's decision is 30 minutes after the posting of results.
- Any matters that may warrant a procedural or disciplinary penalty, whether or not such a penalty is imposed by the Director, shall be reported by the Director to the Management Committee. This includes, but is not limited to, refusal to play a board.
- Sessions may be closed over the Christmas period. Decision to be made by regular session Directors for the session, in consultation with players, and then the Management Committee to be notified.
- The Wednesday session is restricted to players with fewer than 300 masterpoints.

ECLECTICS

- As soon as practical after the close of each month, eclectics will be calculated on an individual basis for Monday, Tuesday morning, Wednesday, Thursday morning and Friday sessions. Where there are 4 or 5 such green point days for a given day of the week, the eclectic result will be determined on the basis of each player's best 3 sessions; where there are 3 such green point sessions, the eclectic result will be determined on the basis of each player's best 2 sessions; and in other cases, there will be no eclectic result calculated. Sessions where Butler scoring is used will be excluded from the available sessions.
- Throughout the year, the Club will hold some of its red points sessions on the same day in consecutive weeks (e.g. two consecutive Mondays), and these will be combined, on an individual basis, as Red Point Eclectics, scored on an individual basis.

CLUB CHAMPIONSHIPS AND OTHER SPECIAL EVENTS

- This consists of
 - Teams Championship

- Pairs Championship
 - Restricted Pairs Championship
 - Novice Pairs Championship
 - President's Trophy
 - Spring and Autumn Pro-Am
 - Teams-of-3
- With the exception of Pro-Ams, these competitions are to be run by a non-playing director where possible.
 - Current club directors are to be offered the chance to direct the Club Competitions before an outside director is asked.
 - Times allowed for play per round, and other regulations, to be the same as for other sessions.
 - Red points (if offered) on the championship days will be awarded to players in the competition but not to players in the other section/s of the room.
 - Entry conditions (see below) for the various club championships to be displayed either on the entry form or on the wall adjacent to the form.

ENTRY FEES

Pairs and Teams Championships and President's Trophy: \$25.00 (i.e. 25 bridge credits) per person (or other fee as determined by the Committee)

Other events: Usual table fees

FORMAT AND PRIZES

Event	Recommended Format ¹	Prizes ²	
Pairs	Played over 3 or 4 sessions. Qualifying session/s then Finals in Championship, Plate and if numbers warrant, Consolation OR Full barometer This event will be played on consecutive Monday afternoons.	1st and 2nd in Championship, 1st prize only in Plate and Consolation 1st and 2nd place	In these events, if numbers warrant, the field may be subdivided for prize purposes into categories based on original seeding, and a Category prize will be awarded to 1st in each category (other than the first category) equivalent to the 2nd prize amount in the event itself.
Teams	Played over 3 or 4 sessions.	1st and 2nd	

	Round Robin		
Restricted Pairs	Full barometer	1 st and 2 nd	
Novice Pairs	Full barometer	1 st and 2 nd	
President's Trophy	Full barometer	1 st and 2 nd gross and handicap	
Pro Ams	Mitchell movements	1 st and 2 nd	

¹ The format may be varied in cases where the entry numbers warrant.

² Wine may be offered to 3rd placegetters if field size warrants. Recommended prize amounts: 1st \$50.00 per person, 2nd \$25.00 per person for gross and \$20 / 10 for handicap winners in the President's Trophy. These can be varied by Committee decision.

ENTRY CONDITIONS FOR CLUB CHAMPIONSHIPS

- All entrants and their substitutes must be members of the club.
- Substitutes are allowed to play in 1 session only. This restriction also applies where an event incorporates two sessions in one day. Further, where an event involves a single qualifying session, no substitutes are permitted at that session.
- A substitute should be of equal or lesser standard in terms of bridge skill than the person they are replacing, and all substitutions need prior approval by the event director, with any disagreement to be heard by the Games Director or where the Games Director is the event director, the Club President.
- In Teams events, masterpoints will be awarded based on the matches played by each player, and only team members (not substitutes) will share in any overall masterpoints. In other events, substitutes earn masterpoints in the sessions they play, but will not be entitled to any outright masterpoints.
- If the number of pairs nominated for a pairs event results in a ½ table, then the Director may require the last nominated pair to withdraw but will be short- listed as a standby pair.
- In an emergency, a substitute who is not a member, or in the Restricted or Novice Pairs event has more than 300 or 100 MPs respectively, may be permitted to play at the Director's discretion. In such cases, the emergency player and their partner or team will not be eligible for the title, trophy, or prize money, but will be entitled to any masterpoints they may have won.
- The closing date will be 5pm, 7 days prior to the commencement of the event, unless the notice states otherwise.
- **Teams Championship:** A team may have 4 to 6 players. Teams of 4 or 5 players may be augmented up to up to 6 team members at any time up the commencement of the final session.

- **Restricted and Novice Pairs Championships:** Limited to an even number of pairs - the director may introduce a qualifying house pair if necessary; all players must have less than 300 (for Restricted) and 100 (for Novice) masterpoints as at the start of the calendar year.
- **President's Trophy:** Limited to an even number of pairs. The director may introduce a house pair if necessary
- **Pairs Championship:** Limited to an even number of pairs. The director may introduce a house pair if necessary.
- **Pro Am:** The Am must have fewer than 50 masterpoints as at the start of the calendar year and the Pro must have more than 100 masterpoints. Players should respect the spirit of this event in that a player with fewer than 50 masterpoints but with bridge experience at non-affiliated clubs or overseas should not nominate as an Am. The Games Director will have the right to disallow any player from being an Am in the event on the grounds that their bridge experience places them significantly above the other Ams. Also, members of the partnership must not have played together more than 3 times since the previous Pro Am.
- **Teams-of-3:** the team members (except for the captain) to have fewer than 150 masterpoints as at the start of the calendar year.

OTHER

Refund of pre-paid entry fees

When players have entered and paid for a congress and subsequently need to withdraw, refunds will be made as long as the initial draw has not been posted. Refunds after this point will only be made at the discretion of the President.
